Remarks

Applicants would first like to express their appreciation to Examiner Figueroa for kindly granting an interview with their representative, Steven Bach, on July 8, 2004. During the interview, Mr. Bach proposed an amendment to claim 6 under 37 C.F.R. 1.312. Examiner Figueroa concurred with the amendment, which is reflecting herein.

A Notice of Allowance was issued on April 19, 2004 in the subject application. An error has since been found in the allowed claims. Specifically, in claim 6, the phrase 'a card guide' is incorrect and should be -the ejecting mechanism-. Figures 1 and 3 clearly show and the specification clearly describes the spring being affixed at the opposite end from the stopper member to the ejecting mechanism.

Applicant respectfully requests entry of this amendment.

Respectfully submitted,

Steven E. Bach
